

MAKE UTAH

M A Y 2 0 2 5

NEWSLETTER

MakeUtah is building the future of hard-tech innovation from concept to commercialization.

HIGHLIGHTS

Member: Casandra Bradley

Casandra (Cassie) is the founder and CEO of Designed for the Medically Exceptional. Her product Tuck-Line is for line-management that close a critical gap in patient safety by significantly reducing the risk of complications from medical lines. Designed by a medical mom for both home and clinical settings, they improve care efficiency and drive better patient outcomes. <http://tuck-line.com>

Event: Third Thursday @ Three

MakeUtah was proud that President, Vanessa Machin Perez recently hosted the Third Thursday @ Three Startup Founders Pitch event at Kiln Lehi on behalf of Ray Smithson. The event was a huge success, and spotlighted Luke Gunderson with Beehive Venture and 3 different startups. The next Third Thursday @ Three event is Thursday 19 June.

NEOITO

NeoITO partnered with MakeUtah May of 2025. We are so excited to have their support. They are sponsoring 6 different companies at MakeUtah. Apply for a sponsored desk at makeutah.org. NeoITO has engineered mission critical technology solutions and have built over 200 digital products for companies in Utah and across the globe. neoito.com.
